

SGU's **Summer 2026** Pre-Med Experience

July 18 or 19*

**Date dependent on education level*

Built for high school and university students with their sights set on medicine, this immersive experience will help you explore medicine, understand the path to earning your MD, and discover why thousands of Canadian physicians chose SGU to launch their careers.

Hands on clinical skills and case study experiences, and more.

One-on-one networking opportunities with SGU alumni, students, and leadership

Tailored experiences for high school and college students

St. George's University
